

Highly motivated aspiring web developer with a wide knowledge of both web development and web design, implementing robust and responsive web designs using Visual Studio Code and Adobe XD. Constantly creating new websites to broaden a skillset for future projects.

## Work History

2017-12 - 2020-08	<b>Kitchen Porter</b> <i>The Ship Inn, Elie, Fife</i> <ul style="list-style-type: none"><li>• Boosted team efficiency by keeping kitchen areas organized, clean and properly sanitized.</li><li>• Oversaw incoming deliveries, including unboxing supplies, shelving stock and rotating items.</li></ul>
----------------------	---

## Education

08-2020	<b>SQA Qualifications</b> <i>Waid Academy - Anstruther, Fife</i> Relevant qualifications include; <ul style="list-style-type: none"><li>• Advanced Higher Computing Science - A</li><li>• Advanced Higher Mathematics - A</li></ul>
Beginning 09-2020	<b>Bachelor of Science: Computer Science</b> <i>Heriot Watt University - Edinburgh</i>

## Accomplishments

- Maintain a personal website in which I use to test my skillset through implementing new designs, available at *finnwohner.co.uk*
- Implemented and hosted a Secret Santa website for close friends in my 5th year of high school using PHP & MySQL on-top of HTML & CSS, names entered would be assigned login details where they could see their secret santa, and their giftee's wishlist.
